

# HOW MANY CAN YOU SPOT

Boultham Park

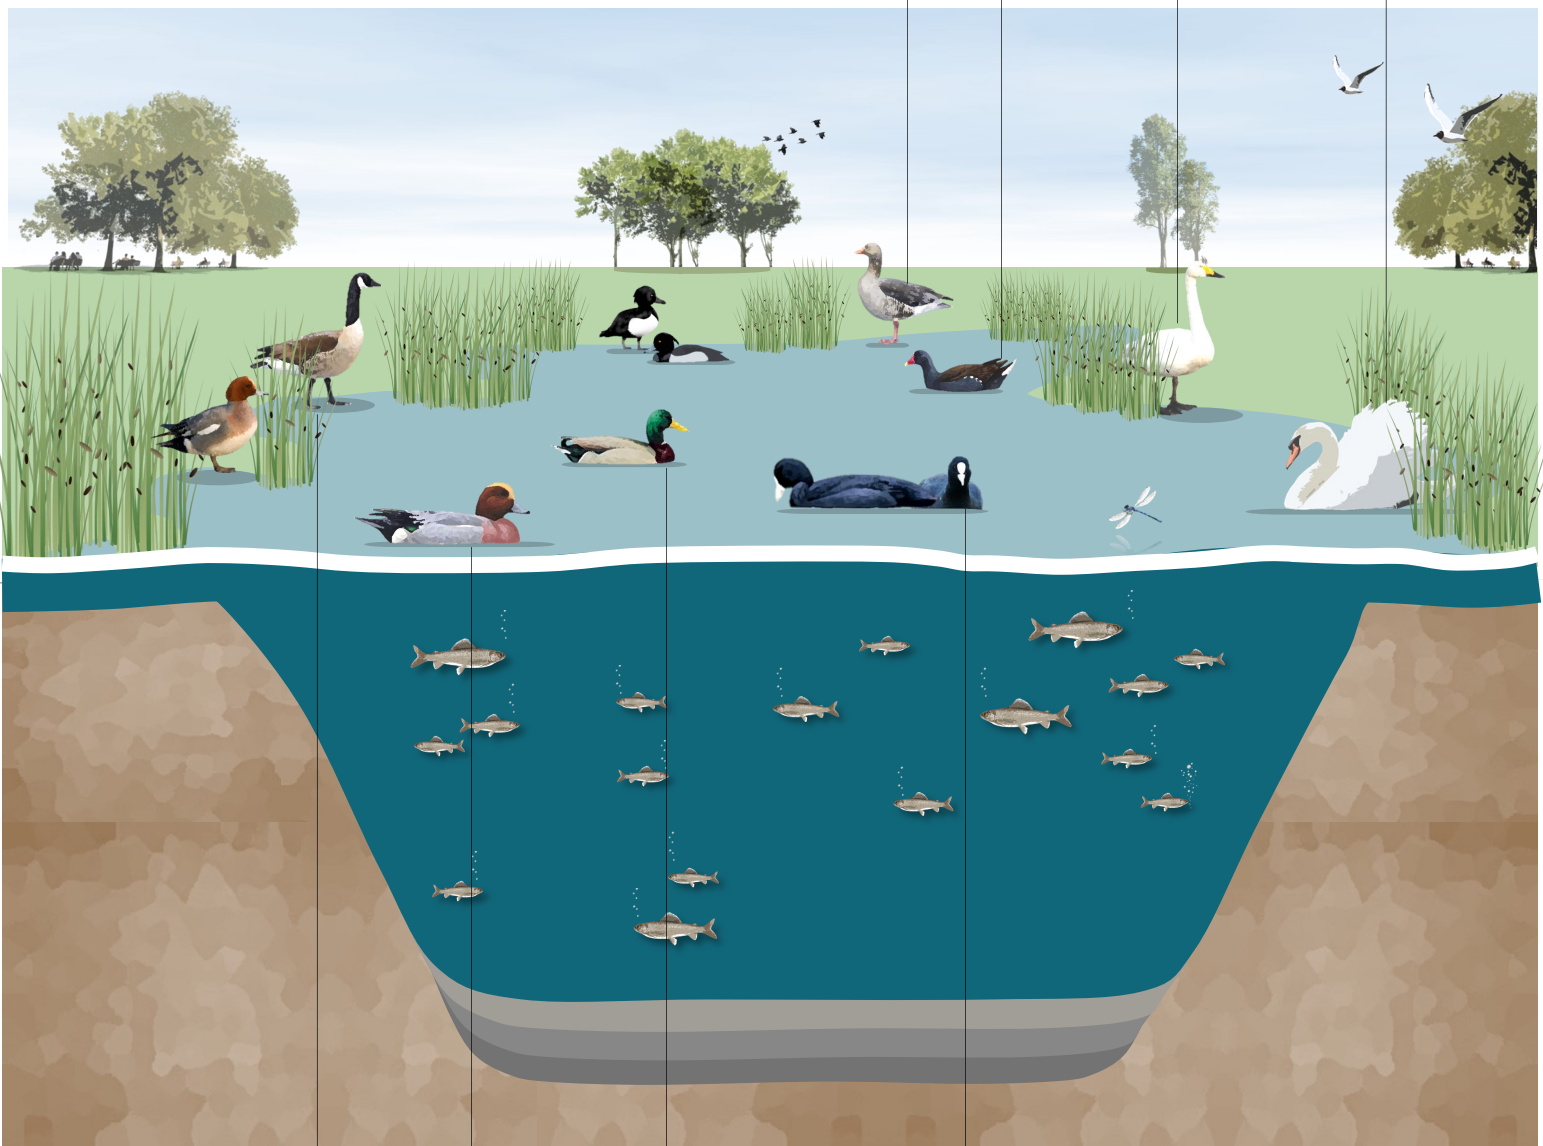

See the birds swimming on the lake - why not grab your mum or dad and visit Boultham Park.

Tell us how many of these birds you spot.

Which one is your favourite?

Can you tell us why you like it so much.

- Grey Lag-Goose
- Whooper Swan
- Moorhen
- Swan

- Canada Goose
- Widgeon
- Mallard
- Coot

Why not give them new names, maybe Sunni the swan, Malcolm the moorhen or Calvin the coot. You might decide to draw your own picture of the birds on the lake and label them with the names you have given the birds.

Whatever you decide to do, share them with us on social media as we would love to see them.
