Colour me in!

Ask an adult to help cut these out
and wear them as finger puppets!

How to Make a Pinecone Bird Feeder

You will need:

- A Pinecone
- A piece of string
- Wild Bird Seed
- Lard

1. Mix together your bird seed and lard until it forms a mouldable mixture
2. Pack it into the pine cone, pushing it into the cracks until its covered
3. Using the gaps in the pinecone, tie the string around one end and tie a knot so it can be hung in your garden.

How to Make a Toilet Roll Bird Feeder

You will need:

- An Empty Toilet Roll
- A Piece of String
- Wild Bird Seed
- Lard

1. Coat the toilet roll with lard, spreading it all over the outside.
2. Roll it around and coat the toilet roll with bird seed, using the lard as glue.
3. Thread the string through the toilet roll and tie a knot so it can hang outside.

How to Make an Apple Bird Feeder

You will need:

- Sunflower Seeds
- 2 short twigs
- 1 long twig
- A piece of string
- An Apple
- An Apple Corer

1. Using the apple corer, core the apple (ask an adult to help with this).
2. Push the sunflower seeds into the apple until it is covered in spikey seeds.
3. Push the two small twigs into either side of the apple.
4. Tie the long stick in the middle of the string.
5. Thread the string through the middle of the apple so the stick sits at the bottom.
6. Tie off and hang outside.
